

AUDIT, ASSESSMENT AND SECURITY FIRMS

Get introduced to compliance-ready customers.

The KollGuard Marketplace is a vetted network of independent providers: SOC 2, ISO 27001 and HIPAA audit firms, and security firms for penetration testing, red team, vCISO, cloud and code review, and incident response. We make the introduction and handle payment. We are never the auditor or the tester.

WHO IS BUYING**Teams that already have their evidence**

KollGuard customers arrive with continuous scans, dispositioned findings, policies and a Trust Center. You scope from live posture, not a discovery questionnaire.

WHAT THEY ASK FOR**Pen tests, audits, fractional security leadership**

SOC 2 Type I and II, ISO 27001, HIPAA assessments, readiness reviews, pentests and red team, vCISO engagements, incident response retainers.

WHAT YOU KEEP**The engagement, the opinion, the relationship**

KollGuard is a neutral introduction-and-payments layer. The scope, the fee and the deliverable are yours.

HOW IT WORKS

1

Apply

Register your firm at kollguard.com/marketplace with services, frameworks, regions and credentials.

2

Get verified

We verify licenses and certifications before any firm is listed: OSCP, CREST, CISSP, CPA firm license and state, AICPA peer review, ISO 27001 Lead Auditor, insurance.

3

Build your profile

Sign in to the provider portal, complete your listing and choose which credentials customers see. Listings go live after review.

4

Engage and get paid

Customers request an introduction, you scope the work from their live KollGuard posture, and payment runs through Stripe.

WHAT A CUSTOMER'S POSTURE GIVES YOU ON DAY ONE

- ✓ Control-by-control readiness across the frameworks they are pursuing
- ✓ Findings with disposition history and the pull requests that closed them
- ✓ Policies, personnel records and signed agreements, exportable as an evidence package
- ✓ A hash-chained audit log for the period, not a screenshot folder
- ✓ Vendor and AI-system inventories already assessed

WHY FIRMS JOIN

Less time on discovery and evidence chasing, more time on the opinion. Customers who arrive audit-ready close faster and renew. Terms and fees are published on the marketplace page and in your provider portal.
